

Social Story

*When I visit Tralee,
I can stay
overnight here. I
can also eat and
drink here.*

*When I arrive,
there is a
carpark to park
my car.*

*Or I can be
dropped off by
taxi outside
the door.*

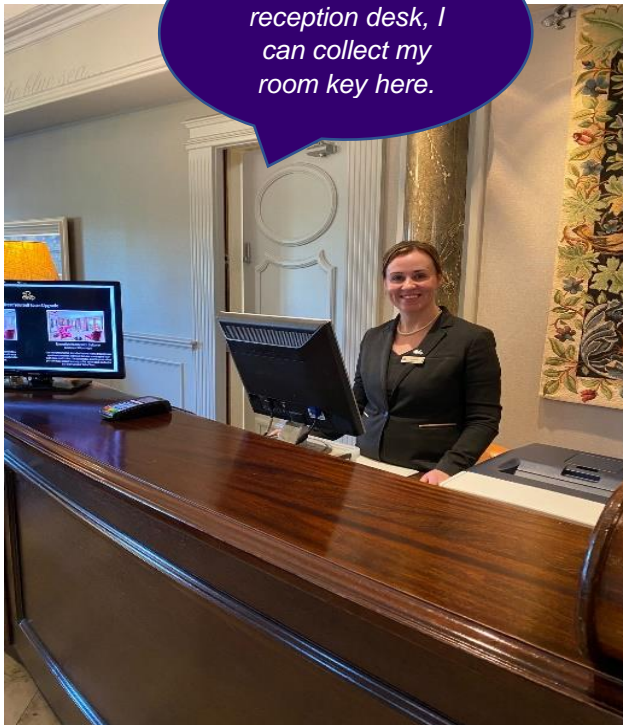

I can walk up the steps and through the glass door.

I will be in the lobby area.

This is the reception desk, I can collect my room key here.

I can go up to my room by lift after checking in.

*This is one of
the bedrooms.*

*If I am eating, I can
walk to the Park
Restaurant or Dott's
Bar.*

I am greeted by a member of staff. I can order my food from the menu.

When my food arrives, I can eat and use the Quiet Zone if I need to.

The toilets are outside
the Park Restaurant.
Look for the toilet
symbol.

This is the Quiet Zone, I can go here when I am feeling overwhelmed.

This area is just off the lobby.

When my stay or meal is over, I can leave the hotel.
